

# Elijah J. McCoy Midwest Regional U.S. Patent and Trademark Office

## Upcoming Events

### Introduction to Intellectual Property and Midwest USPTO

April 6, 2017, 12:00 – 1:30 p.m. Register at: <https://aprintro2ip.eventbrite.com>

Unfamiliar with patents, trademarks, copyrights, and trade secrets? The Midwest Regional USPTO in Detroit, Michigan hosts an introduction to intellectual property concepts followed by a tour of Midwest Regional Office resources every first Thursday of each month. This session is for aspiring entrepreneurs, innovators, students looking for beginner information on intellectual property concepts.

### Trademark Tuesday

April 11 2017, 12:30 – 1:30 p.m. Register at: <https://aprtrademarktues.eventbrite.com>

The Midwest Regional USPTO hosts an interactive question and answer session with the Trademark Assistance Center (TAC) on the 2nd Tuesday of each month. During this virtual meeting with TAC, participants will learn about the trademark registration process and be able to ask questions of experts through our video conferencing capability. The TAC, located in Alexandria, Virginia, provides general information about trademarks.

This event is intended for individuals with a beginning to intermediate level of knowledge of trademarks. Get the most out of Trademark Tuesday by checking out Basic Facts About Trademarks: What Every Small Business Should Know Now, Not Later prior to the event.

### Patent Wednesday

April 19, 2017, 12:30 – 1:30 p.m. Register at: <https://aprpatentwednesday.eventbrite.com>

The Midwest Regional USPTO hosts an interactive question and answer session with our community outreach staff on patent process and resource navigation every third Wednesday of each month. This event is intended for individuals with a beginning to intermediate level of knowledge of patents. Get the most out of Patent Wednesday by checking out the Patent Process Overview prior to the event.
